KENTUCKY TROOPS WILL GO TO THE BORDER SOON

Personal Notes at The Fort

Ft. Thomas, Ky.—The boys from the "Pennyrite" dealt the city boys from Louisville a solar plexus blow Saturday afternoon. Incidentally the officers from rural companies are jubilant and have won the argument as to whether the city bred chap or the "outside" guardsmen make the best soldiers.

It all came about this way. The entire camp had been wondering what would come next after the United States Medical examiners cut through the ranks of the First and left only mere peace strengths. The officers of the regiment from Louisville thought they had the flower of the troops from the Kentucky brigade and were deeply hurt when the examiners completed their work.

Saturday evening the muster and examination of the Third Kentucky regiment which hails from the heart of the "Pennyrite" was started. It was with keen surprise the officers from the other regiments sat back and heard the result of the examination.

The F. Company from Providence Capt. Arthur Donan, commanding had gone through the examination with ninety-seven men, and three officers, and lost only two men. Still more surprised were the officers when B. Company from Henderson, Capt. Harvey Higginson commanding, reported that out of 127 men and three officers only ten men had been rejected.

Officers from Louisville had thought their troops from the city would stand on a par with the rest, but the whole test collapsed when these boys presented themselves. Physicians had begun to think of what the young men had been doing to turn up so many physical defects.

It was no wonder that Major J. W. Grissinger turned to the captain of F. company from Providence and asked if he was sending his best men in first. Major Grissinger was still more surprised when he had seen the entire company and had gazed upon the finest specimens of manhood that has ever passed through the physical tests.

The boys of the Third Regiment may not have looked so snappy in their uniforms, but underneath the quality was there.

News From The Fort

The 3rd Kentucky Hospital Corps was a wilted looking bunch Saturday morning after having taken, the day before, the second shot of typhoid serum. It struck in and there were stiff muscles, drowsiness, and a general done-for feeling on the part of most of the boys. Some few were not hard hit and those who were threw it off by Sunday morning, when

all looked as chipper as larks and were ready for anything. They went to Sunday dinner with appetites ready to add to their weight against the physical examination they were scheduled for that afternoon, early. Whether it was the peach cobbler or something else they were all comfortable and confident of the results of the coming examination. And it came to pass. The results were flattering. Johnnie Hodge was rejected because of a crippled foot. Wallace and Paul Jones did not take the examination, having been rejected previously on account of being under age and without parent's consent. They are expected to leave for home in a few days. All men who do not pass for any reason will be sent home soon—that is after the question of transportation is unraveled.

Those men who may come under the provision for discharge on account of leaving dependent families at home will not get out of the service without some formality and delay. A form will be prescribed by the War Department, perhaps in the way of affidavit to set out the facts in legal form and produce some certification as to their truth. After the form is prescribed it is expected that these men will present their proofs without delay and then be formally relieved.

Capt. Frank Thomas, chaplain of the Third, who is held in highest esteem by the men of that organization of which he is himself a veteran member, speaks very highly of the Third Kentucky Hospital Corps, as a body of fine young gentlemen of whom he is proud.

Speaking of Dr. Thomas and the matter of his resignation of the position of chaplain. Upon best authority it may be said that he will not go to the border, because his church work in the broad field of the M. E. Church, South, is of such weighty importance this year that he could not afford to leave it. He is in just the same position as to his resignation as any other officer. Until he has been mustered into the Federal service there will be nobody who can accept his resignation, though it was offered some time ago. Of course Earlinton friends of Rev. J. S. Hawkins are hoping he may prove the successful applicant to succeed to this important office. That he would fill it with credit none who know him deny.

Sunday Gen. Roger Williams was at Lexington with his family, but he was "officially present" at the Fort. So that Major Frank D. Rash, Brigade Adjutant, was in effect "it" for the day. Colonel Jouett Henry, ranking colonel, would have stepped into command in case of any emergency, but the day was peacefully calm.

G. Company shows up fine in some particulars. On Wednesday morning at "sick call" there was not a single sick man reported. This record was repeated Sunday morning, though there was one sick man in the company that morning who was too sick to report and was cared for on a cot at company quarters. An officer of the Hospital Corps said this gives G. company the record for the Third.

SHRINERS LEFT FOR BUFFALO SATURDAY

Rizpah Patrol and Several Others Attend Annual

IMPERIAL COUNCIL MEETING

Members of the Rizpah Temple patrol and many others left Saturday to attend the annual meeting of the imperial council. The party will visit many places of interest in the east and will probably return home in ten days or two week.

One of the features of the meeting this year will be a parade of over 3,000 bandmen which will be the largest musical assemblage ever gathered in one organization. The members of the Rizpah patrol who will take the trip are: W. B. Bondurant, Capt. C. P. McClain, Lieut. Willis Rudd, standard bearer, D. W. Gatlin, G. F. Brown, Headley Ashby, Marion Ashby, T. C. O'Bryan, L. N. Springfield, Robt. Sory, J. W. Robinson, C. O. Osborn, C. S. Williams, Will Phillips, Henry Browning, G. T. Sory R. G. Champion, Paul Weims, A. L. Thompson and Master Robt McClain, mascot. The others who will make the trip are: Mesdames G. F. Brown, L. N. Springfield, Robt. Sory, A. L. Thompson, W. B. Bondurant, B. M. Staton, C. P. McClain, Misses Jennie Greer and Iva Stanley; Geo. C. Atkinson, Tom Jackson, Frank Brown Jr., and Tommie Robinson.

mimic flowers and leaves in an infinite variety. There is not a plant known to botany from the modest daisy to the blushing rose that does not find its counterpart carved in crystal by nature when this old world was new.

NEW ROCKERS

The BEE has enough Rocking Chair to put one in every home in Earlinton, and they are good rockers too. These chairs are substantial, well made, well varnished and comfortable, they are worth \$4.50 but we are giving them to every party who pay one years subscription to the Bee and \$1.50. In addition to this we will give you your choice of Today's or McCall magazine.

This is undoubtedly the best premium proposition we have ever been able to make, and you should take advantage of it now. When the young ladies who are working for the Mammoth Cave Green River Trip call on you for a subscription to THE BEE give them \$2.50 and they will send you one of these handsome rockers and give you a free years subscription to the Today's or McCall magazine. When you do this you help them win the trip and yourself to a nice rocker that would cost you double the money from any furniture store.

WILL WED IN WEST

Miss Josie Payne of Nebo left for El Paso, Tex., where she will meet Warde Grace, formerly of Earlinton and will be united in marriage. They will go to Bisbee, Ariz., to make their home. Miss Payne is the charming daughter of Mr. and Mrs. Will Payne, of Nebo. The groom is the nephew of Will and Walter Thompson, of Madisonville, his mother and sister live here.

LARGEST PARTY ON RECORD

From present prospects we will have the largest party for the Mammoth cave by way of Evansville and the Green River we have ever had on Aug., 26th. There is already more enthusiasm being displayed than there was on the Cincinnati Trip, there will be some eight or ten of the contestants win and there will be at least thirty people go with the winning contestants from this place and ten or fifteen from Evansville. This is a contest in which there is no chance to loose out, if you turn in only ten subscribers you get credit for them and pay the remainder for the trip or if you decide not to take the trip you get the money you have earned. In either case you get what is coming to you. One young lady turned in seven dollars on subscriptions in one day last week and several others are busy and will do likewise this week. It is easy to win if you try and we guarantee you one of the most delightful river trips you ever experienced. You have absolutely nothing to do but enjoy yourself, your baggage is looked after, and transferred to and from the boat at Evansville and the Mammoth Cave, your names registered at the cave hotel, your state rooms are assigned on the boat and you have nothing to do but to eat, sleep and enjoy the beautiful scenery along the river and the wonders of the greatest natural wonder of the world. Come and go with us on Saturday, Aug. 26th.

KENTUCKY TROOPS WILL SURE GO TO THE BORDER

Fort Thomas, Ky., July, 10th.—All uncertainty as to whether Kentucky's national guard would see the border was dispelled tonight when it was announced in authoritative quarters that every unit of the guard would be sent to the international boundary, irrespective of developments in Mexico, and that at no very distant date.

From the same source, came the announcement that all indications pointed to a decision on the part of the war department not to wait for the units to be recruited to their full strength but to move them as soon as they were ready to go.

St. Charles Happenings

ST CHARLES KY July 10 Mr. Ed Trahern spent last Friday in Saint Charles with friends.

Mr Nick Toombs the genial traveling salesman for the National product Co. was here Friday and left his subscription for the Hustler.

Johnnie Ashmore and Clay Woodruff made a business trip to Madisonville Saturday.

Dr. B. C. McEuen and sister Miss Ruth spent Friday in Earlinton.

Mr. J. G. Osborne and family are visiting relatives in Central City.

Misses Nell and Ola Robinson spent the week end with relatives in Greenville and Clisney.

Mrs. Jesse Philip spent Friday in Earlinton.

Miss Euna Hinton of Carbondale was in town shopping Saturday.

Miss Phronia Murphy of Hopkinsville is the guest of her sister Mrs. J. V. McEuen this week.

Mrs. V. L. Hicks of Nortonville visited her aunt Mrs. L. D. Martin last week.

Mrs. R. C. Long and daughter Miss Vera were in Earlinton and Madisonville Friday shopping.

Mr. W. G. Wright of Carbondale was in town Friday on business.

A TRIBUTE OF RESPECT

To the Memory of John Lawrence by His Oldest Friend

JOHN R. EVANS

The body of Mr. John Lawrence, an old resident of Earlinton, and an old veteran miner with the St. Bernard Mining Co. was brought here from St. Louis to be buried in Oakwood Cemetery by the side of his wife who died about 30 years ago.

Uncle Johnnie as he was familiarly called, was 97 years old and born in Durham County, England and came to Earlinton in the year 1870.

For the last 12 or 15 years Uncle Johnnie was put on the retired list and was a pensioner, and a few years ago moved to St. Louis to his daughters where he died on the 3rd inst., and was brought here for interment the St. Bernard defraying all expenses.

The body was taken to the home of Mr. David Smith and the funeral service conducted by Rev. Grant, of the M. E. Church, South.

Two years ago the old man realized he was a great sinner and sought a saviour in the person of Jesus Christ and committed himself to the mercy of God and gave testimony that his sins were pardoned.

The St Bernard Mining Co., deserve great praise for the kind treatment and generous feeling shown towards John Lawrence; bearing all the expense incurred in the burial, and it is worthy of note that the "old St. Bernard" is ever ready to take care of their old worn out veteran miners while they live and at death give them a decent burial.

Newsy Notes From Nortonville

The city dads of this town are thinking about cleaning up the old tin cans and the back alleys and cart it to the ravine where it will do some good.

Two railroads and a Dixie Bee line for Nortonville might cause people to haul freight to Earlinton and Madisonville from Nortonville.

Author Lacy the prominent druggist is on the sick list and has been taking his own medicine.

There is much rejoicing among the people of the country south of here over the thought that they will get a Rural route some time soon.

School begun in most all districts around the town but not in Nortonville until Monday July 10.

Tobacco and all other crops look fine and the weeds are growing fast. Hard work and long hours keep the farmers at the harvest and much hay and grass is being cut. Meadows are fine.

The people want to know what the Mexican indebtedness is and who Mexico owes her money too.

Mr Sterling Lanier and his wife are royally welcome to the town of Nortonville.

The lake at this city is fast becoming a dustless front yard for a bunch of pretty bungalows are being erected on the shores of this beautiful sheet of water.

Every little while some one erects a new house in Nortonville or buys an automobile which all adds to the attraction of the town and business.

The Dixie Bee Line Committee is as busy as a buzz wheel all the time and never let up talking for the line. Judge Harrison says we are going to have the Dixie Bee Line in spite of himself and high water we all know what that means.

THIRD REGIMENT

(Continued from Page 1.)

every morning and especial attention is given to sanitary conditions in the quarters, under the direction of Capt. W. K. Nisbet, commanding the sanitary squad. The floors in "G's" quarters are scrubbed twice a day, it is said. They are conceded to have the cleanest quarters in the camp.

Col. Henry has been quoted as saying that he "could tell a G. Co. man wherever he saw him—because they are some soldiers." All of which makes our boys feel like fighting—the Mexicans.

Marvin Mitchell and Rex Hamby share about to break into the class of war correspondents, with a good prospect of team work to get the live news from the front about the doings of the Earlinton boys. Its the news the folks at home all long and look for, and its expected to be good news.

Ralph Dudley has been working on detail as clerk in the office of the "discharge officer" getting papers ready to complete the discharges of those who do not pass for any reason or those whose terms are expiring.

Marvin Mitchell is the song bird of the hospital camp and his canary song or other clever imitations may be heard at any time cheering up

that "hard worked" bunch of first-aiders.

Paul Norris King is one of the most popular and efficient members of the Hospital Corps and is smiling and ready at all times—to pass on his hat cord or dispense pills.

It is busy times at the hospital tent in the morning after sick call and the corps has its hands full for perhaps an hour or two. Somebody said that some fellows could not stand the jar of an automobile ride without needing first aid, but that was early in the game and while homesickness was new and fresh. Now the tender ones are getting a little tuned up to conditions and need less attention.

The question goes the rounds, "Will the Third Hospital Corps be sent to the Philippines?" Of course its "grapevine" but its interesting, and it creates conversation. And, by the way, it is not at all beyond the possibilities. Men of G. Co., when they heard the rumor, were right now urgently anxious that the "Thirsty Third" should be sent along too. They all want a ride on the big deep and to see the sights.

It was the officers of D. company, Hopkinsville, who, having fun with the assumed name of "Fighting First," cooked up these newer designations of "Thirsty Third" and "Sore Second." And the names will

probably stick. There is said to be historic basis for the name assigned to the Third.

Following the second dose of typhoid serum the boys are getting vaccination for smallpox, and generally they say, "well, we want all that's coming to us."

F. Co., Providence, was the second company in the Third Regiment and the first in the battalion to muster into the Federal service. This fine company was organized last December and this is its first time out from home. It has proven itself a lusty infant by making the very best records on physical examinations as compared with any other company of the brigade. Out of ninety men, only two were rejected. Though it is possible that one or two others may be dropped upon final consideration. Perhaps two or three others may have to take advantage of the provision as to support of families left behind. After it became known that F. Company had such fine standing there were numerous informal requests from men of other companies to be transferred into F. and of course the officers of the company were happy, as well as the men.

Sergeant Henry G. Jones, Q. M. Corps, has been ordered to report and furnished transportation from Earlinton to Fort Thomas. The delay was caused by confusion as to Sgt. Jones' status under the new order of things.

Thos. O. Long, an old Earlinton boy now of Providence, inspector of small arms, whose position under the reorganization has been somewhat in doubt, is on duty daily and makes himself generally useful through his knowledge of military things.

Bill Ross believes in "safety first" as evidenced by the three decorations on the front of his shirt collar Sunday. The principal reason, however, was that he had nobody along to sew on his buttons.

The Third Regiment Band, the best in the Brigade, gave a beautiful concert Sunday afternoon, attended by a multitude of visitors and many of the guardsmen.

B. Company Henderson, is another that helped to give an illustration of the soundness of the "back-to-the-farm" argument. They were not half so citized as one or two of the companies from Louisville and lost but ten men out of 104 on physical examinations.

The physical examinations have been very rigid and, of course, are alike to all the various companies and units examined. Those companies making good records are making them because they have good, sound men and that's the only reason.

The interesting questions are asked: "Will our boys go? If so, where and when?" Nobody can answer or will answer yet. But a good guess might be that they will probably go to the border and that the movement may take place possibly a week this side of the first day of August. It is believed that they will be ready and fairly well equipped when they do move. There seems little reason to think now that it will be more than a training experience but they may get six months of training toward the creation of the necessary National Guard contingent of the regular army. And it will not be at all a bad thing for the average, able-bodied guardsman.

Should Sloan's Liniment Go Along?

Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Writes one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.

Good Advice.

WEAK KIDNEYS MAKE WEAK BODIES

Kidney Diseases Cause Many Aches and Ills of Earlington People

As one weak link weakens a chain, so may weak kidneys weaken the whole body and hasten the final breaking-down.

Overwork, strains, colds and other causes injure the kidneys, and generally when their activity is lessened, the whole body suffers. Aches and pains and languor and urinary ills frequently come, and there is an ever-increasing tendency towards dropsy, gravel or fatal Bright's disease. When the kidneys fail there is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys.

No need to take the statement of someone living far away as evidence. Here is a case right in this locality.

Mrs. G. E. Bailey, Dixon St., Sebring, Ky., "For some time I have suffered from pain across the small of my back. I used Doan's Kidney Pills and they cured me in a short time. I have taken this medicine since then and it has never failed to benefit me."

Price 50cts at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bailey had. Foster-Milburn Co., Props., Buffalo, N. Y.

CLEAN UP AND CUT THE WEEDS

The hot season is now here and it behooves every citizen of Earlington to clean up their premises and back allies if they would avoid sickness. There is quite a lot of fever and also other kinds of sickness in this vicinity now and the probability is there will be quite a lot more if the town is not cleaned up and a liberal supply of lime used. Every property owner should see that all weeds and dog fennel is cut on their property, the City has two men out cutting weeds on the streets this week. Let every citizen get up a little enthusiasm mixed with a little civic pride and prudence, clean up, use plenty of lime and cut the unsightly and unsanitary weeds from around their premises. Look on these figures—

To Dr's bill for attending case of Typhoid fever	\$75.00
Drug Bill	\$25.00
Trained Nurse	\$75.00
Funeral expenses	\$150.00
Total	\$325.00

And then on these—
To Cleaning up premises \$2.00
To lime used .50
Total \$2.50

Quite a difference is there not, to say nothing of the mental anguish and worry usually accompanying any serious illness.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the Mucous Surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietor has so much faith in the curative power of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

BOAT TRIP TO THE MAMMOTH CAVE

Via Evansville and Green River Packet Company
—Everyone Has a Chance to Win

READ THE FOLLOWING CAREFULLY

This is a new kind of a contest where the contestants get what they work for, and every one wins something. The Earlington Bee will make the usual annual river trip to the Mammoth Cave and Colossal Cavern on Saturday August, 26th, by way of Evansville and the Green River packet Companies steamer City of Evansville, returning on Wednesday night Aug., 30th. The plan of the contest is as follows—for each \$1.00 turned in on subscription the party will be allowed 25 cents on the trip, for each \$1.00 turned in on advertising or job printing secured by the contestant 10 cents will be allowed on the trip. The cost of the trip to contestants including all expenses will be only \$15.00 consequently \$60.00 on subscriptions wins a free trip, \$30.00 wins half a trip and the contestant pays \$7.50, \$20.00 wins one-third of the trip and the contestant pays \$10.00 and so on. In case any contestant turns in more than \$60.00 on subscription they receive 25 cents in money for each dollar turned in, or 10 cents in money for each dollar on advertising or job printing. There is no limit to the number of contestants, and any one who wishes to enter, man or woman, boy or girl between the ages of six and sixty may work in this contest. Remember you have only six weeks to work and contestants should begin at once. The price of the trip to anyone not in the contest will be \$17.50. This will be a delightful four hundred mile trip on the beautiful Green River where the cool balmy breezes soothe the heated brow and your cares and troubles disappear under the magic influence of the magnificent scenery around you and the mystic charm of the river. This will be a splendid opportunity to visit the Great Cave and Colossal Cavern under the most favorable circumstances. There is only one change made on this trip and that is at Evansville, where your baggage will be transferred and your dinner furnished free, the remainder of the trip of 400 miles up the river to the Cave and return is a lazy, restful trip free from dust, noise or cinders, the Mammoth cave or a visit to Colossal Cavern, we will be at the cave one day and night, ample time to make the routes and rest before returning to the steamer. The cost of this trip itemized is as follows: Railroad fare Earlington to Evansville and return is \$8.65; steamer fare including berths and meals Evansville to Cave and return \$8.00, two routes in cave \$3.00, board at the cave hotel \$2.50, dinner at Evansville and transferring baggage 50cts, cave suits 25cts making a total of \$17.00. We will take you on the trip for \$17.50 and insure you

a jolly good time. The rate from Evansville, Ind. will be \$13.50. Anyone desiring to make this delightful trip should get their names into this office as early as possible as we are limited to 50 people on the trip and as soon as all staterooms are taken the list will be closed. Parties who wish to make the trip must send in names with a deposit of \$2.00. Address all letters to Manager of Earlington Bee, Earlington, Ky.

One Experience Convinced Me of its Value

"One of our salesmen demonstrated the value of the Long Distance Telephone to us. He was at Huntsville, Ala., and upon his own responsibility put in

Long Distance calls for fifteen merchants within a radius of several hundred miles.

"In less than one hour he had sold 2100 barrels of flour at a total cost to us of less than six dollars."

"Since then we have applied the Long Distance Bell Telephone to every feature of our business with most profitable results. The service is fine, the rates are reasonable and there is more satisfaction in one Long Distance Telephone talk than in half a dozen letters".
